We have not authorized anyone to provide any information or to make any representations other than those contained or incorporated by reference in this prospectus supplement, the accompanying prospectus or in any free writing prospectuses we have prepared. We take no responsibility for, and can provide no assurance as to the reliability of, any other information that others may give you. This prospectus supplement and the accompanying prospectus is an offer to sell only the notes offered hereby, but only under circumstances and in jurisdictions where it is lawful to do so. The information contained in this prospectus supplement and the accompanying prospectus is current only as of the respective dates of such documents.

SPECIFIC TERMS OF THE NOTES

Please note that throughout this prospectus supplement, references to “The Goldman Sachs Group, Inc.”, “we”, “our” and “us” mean only The Goldman Sachs Group, Inc. and do not include its consolidated subsidiaries. Also, references to “holders” mean The Depository Trust Company (“DTC”) or its nominee and not indirect owners who own beneficial interests in notes through participants in DTC. Please review the special considerations that apply to indirect owners in the accompanying prospectus, under “Legal Ownership and Book-Entry Issuance”.

The notes will be a series of senior debt securities issued under our senior debt indenture dated as of July 16, 2008 between us and The Bank of New York Mellon, as trustee. This prospectus supplement summarizes specific financial and other terms that will apply to the notes; terms that apply generally to all of our debt securities are described in “Description of Debt Securities We May Offer” in the accompanying prospectus dated September 19, 2011. The terms described here supplement those described in the accompanying prospectus and, if the terms described here are inconsistent with those described there, the terms described here are controlling.

Additional Information About the Notes

Book-Entry System

We will issue the notes as global notes registered in the name of DTC, or its nominee. The sale of the notes will settle in immediately available funds through DTC. You will not be permitted to withdraw the notes from DTC except in the limited situations described in the accompanying prospectus under “Legal Ownership and Book-Entry Issuance — What Is a Global Security? — Holder’s Option to Obtain a Non-Global Security; Special Situations When a Global Security Will Be Terminated”.

Investors may hold interests in a global note through organizations that participate, directly or indirectly, in the DTC system. See “Legal Ownership and Book-Entry Issuance” in the accompanying prospectus for additional information about indirect ownership of interests in the notes.

Trustee Conflict of Interest

BNY Mellon Capital Markets, LLC, an affiliate of the trustee, is an underwriter for this offering. Therefore, if a default occurs with respect to the notes within one year after this offering (or any other offering of our securities in which an affiliate of the trustee participates as an underwriter), the trustee would likely be considered to have a conflicting interest for purposes of the Trust Indenture Act of 1939. In that event, except in very limited circumstances, the trustee would be required to resign as trustee under the senior debt indenture under which the notes are being issued and we would be required to appoint a successor trustee, unless the default is cured or waived within 90 days. If the trustee resigns following a default, it may be difficult to identify and appoint a qualified successor trustee. The trustee will remain the trustee under the indenture until a successor is appointed. During the period of time until a successor is appointed, the trustee will have both (a) duties to noteholders under the indenture and (b) a conflicting interest under the indenture for purposes of the Trust Indenture Act.

United States Federal Income Tax Consequences

Please see the discussion under “United States Taxation” in the accompanying prospectus.

Final regulations released by the U.S. Department of the Treasury on January 17, 2013 state that Foreign Account Tax Compliance Act (“FATCA”) withholding (as described in “United States Taxation — Taxation of Debt Securities — Foreign Account Tax Compliance” in the accompanying prospectus) will generally not apply to obligations that are issued prior to January 1, 2014; therefore, the notes will not be subject to FATCA withholding.

EMPLOYEE RETIREMENT INCOME SECURITY ACT

This section is only relevant to you if you are an insurance company or the fiduciary of a pension plan or an employee benefit plan (including a governmental plan, an IRA or a Keogh Plan) proposing to invest in the notes.

The U.S. Employee Retirement Income Security Act of 1974, as amended (“ERISA”), and the U.S. Internal Revenue Code of 1986, as amended (the “Code”), prohibit certain transactions (“prohibited transactions”) involving the assets of an employee benefit plan that is subject to the fiduciary responsibility provisions of ERISA or Section 4975 of the Code (including individual retirement accounts, Keogh plans and other plans described in Section 4975(e)(1) of the Code) (a “Plan”) and certain persons who are “parties in interest” (within the meaning of ERISA) or “disqualified persons” (within the meaning of the Code) with respect to the Plan; governmental plans may be subject to similar prohibitions unless an exemption applies to the transaction. The assets of a Plan may include assets held in the general account of an insurance company that are deemed “plan assets” under ERISA or assets of certain investment vehicles in which the Plan invests. Each of The Goldman Sachs Group, Inc. and certain of its affiliates may be considered a “party in interest” or a “disqualified person” with respect to many Plans, and, accordingly, prohibited transactions may arise if the notes are acquired by or on behalf of a Plan unless those notes are acquired and held pursuant to an available exemption. In general, available exemptions are: transactions effected on behalf of that Plan by a “qualified professional asset manager” (prohibited transaction exemption 84-14) or an “in-house asset manager” (prohibited transaction exemption 96-23), transactions involving insurance company general accounts (prohibited transaction exemption 95-60), transactions involving insurance company pooled separate accounts (prohibited transaction exemption 90-1), transactions involving bank collective investment funds (prohibited transaction exemption 91-38) and transactions with service providers under Section 408(b)(17) of ERISA and Section 4975(d)(20) of the Code where the Plan receives no less and pays no more than “adequate consideration” (within the meaning of Section 408(b)(17) of ERISA and Section 4975(f)(10) of the Code). The person making the decision on behalf of a Plan or a governmental plan shall be deemed, on behalf of itself and the plan, by purchasing and holding the notes, or exercising any rights related thereto, to represent that (a) the plan will receive no less and pay no more than “adequate consideration” (within the meaning of Section 408(b)(17) of ERISA and Section 4975(f)(10) of the Code) in connection with the purchase and holding of the notes, (b) none of the purchase, holding or disposition of the notes or the exercise of any rights related to the notes will result in a non-exempt prohibited transaction under ERISA or the Code (or, with respect to a governmental plan, under any similar applicable law or regulation), and (c) neither The Goldman Sachs Group, Inc. nor any of its affiliates is a “fiduciary” (within the meaning of Section 3(21) of ERISA (or any regulations thereunder) or, with respect to a governmental plan, under any similar applicable law or regulation) with respect to the purchaser or holder in connection with such person’s acquisition, disposition or holding of the notes, or as a result of any exercise by The Goldman Sachs Group, Inc. or any of its affiliates of any rights in connection with the notes, and no advice provided by The Goldman Sachs Group, Inc. or any of its affiliates has formed a primary basis for any investment decision by or on behalf of such purchaser or holder in connection with the notes and the transactions contemplated with respect to the notes.

If you are an insurance company or the fiduciary of a pension plan or an employee benefit plan (including a governmental plan, an IRA or a Keogh plan) and propose to invest in the notes described in this prospectus supplement and accompanying prospectus, you should consult your legal counsel.
