STABILISATION

In connection with this issue, The Hongkong and Shanghai Banking Corporation Limited (the “**Stabilising Manager**”) (or persons acting on behalf of any Stabilising Manager) may over-allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilising Manager (or persons acting on behalf of a Stabilising Manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the terms of the offer of the Notes is made and, if begun, may be discontinued at any time, and must be brought to an end after a limited period.

2016 SECOND QUARTER FINANCIALS

On 12 August 2016, the Guarantor published its unaudited consolidated financial statements as at and for the three months and six months ended 30 June 2016 (the “**2016 Second Quarter Financials**”) on the websites of the TWSE and the SGX-ST, which is incorporated by reference in the Offering Circular. The 2016 Second Quarter Financials have been reviewed but have not been audited by PricewaterhouseCoopers, Taiwan, which issued a qualified report because certain consolidated subsidiaries and equity-method investments are not reviewed. The 2016 Second Quarter Financials are not necessarily indicative of the results that may be expected for the year ended 31 December 2016 or any period thereafter. Consequently, potential investors must exercise caution when using such data to evaluate the Group’s financial condition and results of operations.

PURPOSE OF PRICING SUPPLEMENT

This Pricing Supplement comprises the final terms required for issue and admission to trading on the SGX-ST of the Notes described herein pursuant to the U.S.\$3,500,000,000 Medium Term Note Programme.
